### Sophomore Class Council

1. What do you want to see this year?

**I would love to see opportunities shared with the sophomore class to make up for our first year, and convey that we are thinking of them. Additionally, giving other members autonomy to take on new projects within SOCO would be a great addition to last year!**

2. Why are you interested in joining SoCo? (2 sentences)  
**Love the ability to work and plan events for members in my own grade—seeing them and helping them connect with others brings me joy. I really enjoyed my time in First Year Council last year, and would love to continue working with everyone this year!**
3. Would you be interested in an eboard position (VP, Communications Director, Treasurer)?  
**Possibly, but no plans on running for any of the three currently.**
4. What committee would you ideally be on (Academics, Activism, Mental Health, Events, or Remote Student Integration)? Why? (2 sentences)  
**I would ideally like to work on Events or Remote Student Integration. I have the most experience with event planning in high school student council (I led a 43-person student council), but also am personally interested in student integration.**
5. What is the best resco? (Only one right answer.)  
**The one you're in, so Hopper for me :)**
